Dear Jeff

PM 1322 Pakistan
Our File: 30591

Thank you for your letter of 17th October 1990. A copy of the response is enclosed.

I have put to our Pakistan Associates the point made in the paragraph bridging the two pages of your letter, namely that it was illogical to identify the Ellis patent while not identifying the origin of any other prior art references, and that the specific Ellis reference might be deleted. However, it seems they have preferred the simple course of filing a copy of the patent in question.

Yours sincerely

J. H. Bass
